On January 24, 2010, ROBLOX released a new version 3 logo to replace the one that they had been using since 2008. The new version of the logo still has no color in it; however, it now uses vector graphics, as opposed to bitmap graphics on previous logos. This new logo also included a small R inside a circle which represents ROBLOX's focus on imagination and creativity.

On July 19, 2018, ROBLOX launched a new mobile app called ROBLOX Mini. It is aimed towards kids below the age of 6 years old. It allows players to play mini games as well as create items for their mini-game and have a catalog of characters to dress up as.[50]

ROBLOX first came out in September 2006 when released the first version of their game Roblox Studio (similar to Scratch). This was the original creator of ROBLOX and was developed by Jason "Akile" Akilecz (JAMASOF) from October 19 to November 5. This is the first fully 3D program for ROBLOX. The original name was "Roblox", but it was changed due to a copyright lawsuit. The name was changed to "FunRoblox", and in 2008 the "Fun" part was dropped to make it simply Roblox.

To get free robux on facebook, all you need to do is set your status message as "I like [YOUR FRIEND'S NAME] on ROBLOX" and click "Share". You'll be given an extra 1,000 robux. Here's the screenshot to help you out!

You are paying for a product that doesn't exist. You wouldn't pay for an airline ticket without knowing when the flight has left the gate or whether it would ever take off. It is unethical to purchase Robux (robux) without knowing how they are stored or used within ROBLOX's software. You shouldn't be forced to pay for something in which you have no ability to benefit from what you're paying for.
